

Texas Speleological Survey --- Media Release Form

I (print name) _____ do hereby grant to Texas Speleological Survey, Inc. (TSS) the rights to my original photos, art work or other media as specifically described below.

NOTE: TSS warrants that these materials (originals or copies) will be handled with the utmost attention to their care and long-term preservation and that, if requested, donors will be furnished with a digital copy of their donated materials. It is understood that TSS will not act as an agent for the donor but will attempt to unite owners and publishers if called upon to do so. Full credit shall be given for each use of the material. It is understood that when rights are reserved in any way, that those rights extend to the possible heirs and successors of the donor. The suffix "D" appended to categories 2,3,4 shall indicate that upon the death of the donor, all those categories shall revert to Category 1. The donor's signature below indicates agreement to the reversion of rights to Category 1 upon death of the donor:

Release category 1: All rights are transferred to TSS without reservation, without financial compensation and in perpetuity. No further contact is required for the use of this material at any time.

Release category 2: TSS is granted the non-exclusive rights to reproduce this material only in official TSS publications. In the event this image is published digitally, a copyright credit line shall be applied to the image and file size shall not exceed 50,000 bytes. Any other use is strictly prohibited without my specific consent. All financial compensation is waived for TSS use but must be negotiated for any other use.

Release category 3: TSS is granted the rights to reproduce this material only if I am compensated on a per-use basis. Such compensation shall be mutually agreed upon prior to usage.

Release category 4: TSS is granted the rights only to archive this material. Any other use must be negotiated.

Release category 5: I did not create this material and I make no claim on it, nor do I believe that any others have a legitimate claim to it. I believe its lawful ownership lies in the public domain.
